

Privacy Policy

ACF Components & Fasteners is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. This Statement of Privacy applies to the ACF Components & Fasteners website and governs data collection and usage. By using the ACF Components & Fasteners website, you consent to the data practices described in this statement.

Collection of your Personal Information

ACF Components & Fasteners may collect personally identifiable information, such as your e-mail address, name, home or work address or telephone number. ACF Components & Fasteners also may collect anonymous demographic information, which is not unique to you, such as your ZIP code, age, gender, preferences, interests and favorites.

There is also information about your computer hardware and software that is automatically collected by ACF Components & Fasteners. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used by ACF Components & Fasteners for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the ACF Components & Fasteners website.

Use of your Personal Information

ACF Components & Fasteners may collect and use your personal information to operate the ACF Components & Fasteners website and deliver the services you have requested. ACF Components & Fasteners may also use your personally identifiable information to inform you of other products or services available from ACF Components & Fasteners and its affiliates. ACF Components & Fasteners may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

ACF Components & Fasteners does not sell, rent or lease its customer lists to third parties. ACF Components & Fasteners may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party. In addition, ACF Components & Fasteners may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to ACF Components & Fasteners, and they are required to maintain the confidentiality of your information.

ACF Components & Fasteners does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.

ACF Components & Fasteners keeps track of the websites and pages our customers visit within ACF Components & Fasteners, in order to determine what ACF Components & Fasteners services are the most popular. This data is used to deliver customized content and advertising within ACF Components & Fasteners to customers whose behavior indicates that they are interested in a particular subject area.

ACF Components & Fasteners websites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on ACF Components & Fasteners or the site; (b) protect and defend the rights or property of ACF Components & Fasteners; and, (c) act under exigent circumstances to protect the personal safety of users of ACF Components & Fasteners, or the public.

Security of your Personal Information

ACF Components & Fasteners secures your personal information from unauthorized access, use or disclosure. ACF Components & Fasteners secures the personally identifiable information you provide on

computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

Changes to this Statement

ACF Components & Fasteners will occasionally update this Statement of Privacy to reflect company and customer feedback. ACF Components & Fasteners encourages you to periodically review this Statement to be informed of how ACF Components & Fasteners is protecting your information.

Contact Information

ACF Components & Fasteners welcomes your comments regarding this Statement of Privacy. If you believe that ACF Components & Fasteners has not adhered to this Statement, please contact ACF Components & Fasteners at gens@acfcom.com. We will use commercially reasonable efforts to promptly determine and remedy the problem.
