RE: Rebranding Announcement

Dear Valued Customers and Vendors,

As you are aware that we have recently relocated our head office, we are pleased to announce that on **October 4, 2021**, we are modifying our name and logo as part of our rebranding strategy.

This initiative is to develop and strengthen our growth in addition to our continuing services to all our business partners. The new logo represents the Bay Bridge, in reverence to our company's origin and past. Doing business as **ACF Industrial Solutions** better reflects our expansion as a place of solutions to all industries. This will not change continuing partnerships with our valued vendors and customers.

As it is an exciting time for us, we would like to take the time and thank you for your loyalty. Without the continued confidence and support from our partners, both customers and vendors, we could not have accomplished thus far.

At this time of change, please feel free to contact us for any questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "Charles Marino", written over a large, stylized blue circular mark.

Charles Marino, COO
ACF Components & Fasteners, Inc.
